Software Engineer with 1.3+ years of experience in building web applications using React.js, Node.js, Express.js, MongoDB and SQL.

Skills

Languages: C++, JavaScript, HTML, CSS.
Technologies: React.js, Redux, Node.js, Express, MySQL, MongoDB, Firebase, Git, MaterialUI.

Professional Experience

Software Engineer
Gurgaon, Haryana
Classic Informatics
Dec 2021 - Present

- Translated designs & wireframes into high-quality code with React.js.
- Developed highly responsive, user-friendly, reusable UI elements and layouts using React.js, HTML, CSS, and other related technologies, improving code efficiency and maintainability.
- Implemented a secure user authentication system using JSON Web Tokens (JWT), ensuring the confidentiality and integrity of user data.
- Developed web applications using React.js and Redux, utilizing Redux to manage application state and ensure seamless data flow throughout the application. Applied middleware such as Redux Thunk to handle asynchronous API calls, ensuring optimal performance and reliability.
- Developed RESTful APIs using Node.js and Express, ensuring high performance, security, and scalability of applications. Utilized Node.js File System to read and write files, ensuring optimal file management.
- Used Git for version control to manage codebase and collaborate with other developers.

Personal Projects

GenratorX |Link

- The web application enables users to generate both backend and frontend code, equipped with functions to perform CRUD operations on their Firestore collections, an initial directory structure, and integrated Redux.
- This streamlined approach saves time and effort during the initial development phase.
- Tech Stack – React.js, Node.js, Express.js, Firebase, HTML, CSS.

Education

Bachelor of Engineering (Computer Science)

Priyadarshini Indira Gandhi College of Engineering

Sept 2017 - Apr 2021
8.42 CGPA

Internship

Newton School | Full Stack Web Development

May 2021 - Nov 2021

- Data structure and problem solving skills
- Front-end and Backend tools
- Business Communication skills
